**REPORT AND RECOMMENDATION  
OF THE UNITED STATES MAGISTRATE JUDGE**

The Magistrate Court submits this Report and Recommendation to the District Court pursuant to 28 U.S.C. § 636(b)(3). This case has been referred, pursuant to General Order No. 15-002, to the United States Magistrate Judge for the taking of a felony guilty plea and the Federal Rule of Criminal Procedure Rule 11 Allocution. All parties have waived the right to plead before a United States District Judge, and have executed a consent to proceed before a United States Magistrate Judge.

On **October 28, 2015**, the defendant and counsel appeared before the Magistrate Judge, who addressed the defendant personally in open court and informed the defendant of the admonishments under Rule 11 of the Federal Rules of Criminal Procedure. The Magistrate Judge determined that the defendant was competent to plead guilty and fully understood said admonishments.

The defendant entered a plea of guilty to the offense of being an alien who had previously been denied admission, excluded, deported, or removed, after having been convicted of a felony, knowingly and unlawfully was present in the United States having been found in Cameron County, Texas, the said defendant having not obtained consent to reapply for admission into the United States from the Attorney General of the United States or Secretary of Homeland Security, the

successor, pursuant to Title 6, United States Code, Sections 202(3), 202(4), and 557. In violation of Title 8, United States Code, Sections 1326(a) and 1326(b)(1) as charged in the Indictment. A written plea agreement was recited on the record. The Government agreed to recommend credit for acceptance of responsibility and sentencing at the low end of the advisory guideline level the defendant scores. The Government also agrees to recommend a 4-level downward departure pursuant to USSG 5K3.1, unless the defendant has a criminal history category of VI, or a previous conviction that warrants an 8-level enhancement or higher under USSG 2L1.2, or a prior 8 U.S.C. § 1326. The Court explained to the defendant that he would be subject to sentencing pursuant to the Sentencing Guidelines promulgated by the United States Sentencing Commission. The Court also explained that parole had been abolished and that the defendant could receive a term of supervised release. The Court explained the range of punishment with regard to imprisonment, fines, restitution, supervised release, and the statutory fee assessment pursuant to the Victim of Crime Act.

The Magistrate Judge finds the following:

- 1) The defendant, with the advice of his attorney, has consented orally and in writing to enter this guilty plea before the Magistrate Judge, subject to final approval and sentencing by the District Judge;
- 2) The defendant fully understands the nature of the charges and penalties;
- 3) The defendant understands his constitutional and statutory rights and wishes to waive these rights;
- 4) The defendant's plea is made freely and voluntarily;
- 5) The defendant is competent to enter this plea of guilty; and
- 6) There is an adequate factual basis for this plea.

RECOMMENDATION

The Magistrate Court RECOMMENDS that the District Court accept the plea of guilty and, after reviewing the presentence investigation report, enter final judgment of guilt against the defendant.
